[5/5] Rendering of the Battery Carousel - Oblique

[5/5] As children ride the phosphorescent glowing sea creatures,  
they will be enchanted by video projections on the structural

VIEW FULL-SCREEN

The Carousel at the Battery is an innovative, aquatic-themed ride for Downtown residents, workers and visitors from around the world.

The Carousel is a unique children-of-all-ages experience. Conceived by the Battery Conservancy with Weisz + Yoes Architects, it enchants through movement, light and music. A ride-the-waves turntable supports 33 poly-resin sea creatures filled with undulating fiber optic lights.

All of one's senses are engaged and heightened. You are one with the sea. This unforgettable ride combines art, architecture, music and film to create a "fantastic" adventure.

The Carousel recalls the Battery's history as site of the city's first aquarium from 1896 to 1941. A boat is planned to ferry families from the Battery to Coney Island to visit today's New York Aquarium.

## The Battery's Aquarium History

The New York Aquarium at the Castle was one of the nation's earliest public aquariums welcoming 2.5 million visitors annually. Until its closing in 1941, the Aquarium was a vital educational and scientific center. The proposed Carousel will not only entertain visitors, but inspire and educate... more

"These projections look incredible!!"

New York  
04-12-2007 | Report profanity

"What a whimsical project! I think this will be a major tourist draw in Battery Park. I love how the exterior resembles a shell."

East Village  
04-19-2007 | Report profanity
